Dear Marion,

'Sobinov Orchestra' Visit to Exeter: JUNE 24, 2013
EYTA Concert and Buffet: Monday, June 24

We would like to thank you and your team for helping to make the 'Sobinov Evening' such a memorable event.

We have been told that the 'children' thoroughly enjoyed their time at the club and the comments received from the group's teachers and parents were all complimentary. In fact they maintained that they enjoyed the evening better than any other during their time in the UK.

So, 'all's well that ends well'. It makes all the 'effort' worth while.

They are now on their way back to Russia having left yesterday. They will arrive in Yaroslavl sometime on Sunday!

We hope to be able to get them back next year for the 'Silver Jubilee' of the Exeter/Yaroslavl Twinning.

Please tell the 'Up-Spirits' team that Julie enjoyed being a part of their ceremony and really appreciates her presents.

We are looking forward to seeing you again for the 'YEFS Welcome Party' on ^{July 16th} ~~June 16~~ with a significantly smaller group! I will confirm the numbers during the week before the function. We are happy to pay an up-front deposit. Just let me know what you need.

Take Care,

David Parsons (EYTA Chairman)
