*Dear Judge,*

On behalf of my wife and myself, I wish to thank all the members of the White Ensign Club, Exeter for another memorable Trafalgar Dinner.

I hope my talk on Commando Training Wing was of interest to the wider audience, bearing in mind we were celebrating a great naval battle. It was a good to be reacquainted with Michael and introduced to 'Paddy'.

As always Janet looked after us splendidly and ensured we had a memorable and enjoyable evening. This year it was 'me' celebrating a birthday and one I will long cherish as I move swiftly to retirement.

As always the food was good and plentiful and special mention should be made to Marion and all the other personnel responsible for the food. The atmosphere was warm and the entertainment inclusive. I will continue to 'pop in' when I get the chance whilst I'm in Exeter as the welcome is always genuine. I have used my civilian address (above) for your records.

As I move towards my last days in the Corps, the club has shown me there is a buoyant life in a 'black jacket' to look forward too. Please accept again my heartfelt appreciation and pass on to all members my complete thanks for what is always a 'top' evening.

*Yours sincerely,*  
*Chris*
